

Welcome Back to School!

Now that school is back in session and your office begins to fill with students, your role as the primary contact for their transition to postsecondary education becomes front and center. While the knowledge you pose is vital to their success, please know that you can rely on the Office of Student Financial Assistance to assist you with guidance.

We are thankful for each of you and the work that you do to make a difference in the lives of the students and families you serve. Together we are better!
