# OSFA News for Counselors

YOU SHOULD KNOW

APRIL THRU JUNE 2014

## Legislative Session 2014

The Florida 2014 Legislative Session commenced March 4. The Florida Department of Education, Office of Student Financial Assistance will be monitoring a number of proposed bills that may affect programs currently administered through our department. As information becomes available at the end of session, OSFA will announce any changes pertinent to state scholarships and grants.

# CGS!Florida Update

The Florida Department of Education, Office of Student Financial Assistance (OSFA) is a strong advocate for College Goal events in our state. This year, OSFA served as state coordinator in partnership with the Florida Association of Student Financial Aid Administrators (FASFAA) serving as the fiscal agent.

Florida was fortunate to have 44 host sites covering the state in January and February. Preliminary data shows that CGS!Florida was able to serve 1,143 students and families with Free Application for Federal Student Aid (FAFSA) assistance. Records received to date also indicate that 866 FAFSAs were completed, with many more in various stages of completion. The 2014 participation nearly tripled last year's attendance, and we are on track to exceed these numbers for next year.

Special thanks to the many sponsors who donated goods and services to assist host sites with refreshments, office supplies, door prizes, and more: Publix, Subway, Florida College Access Network, Gilly Vending, school districts, universities, and state colleges.

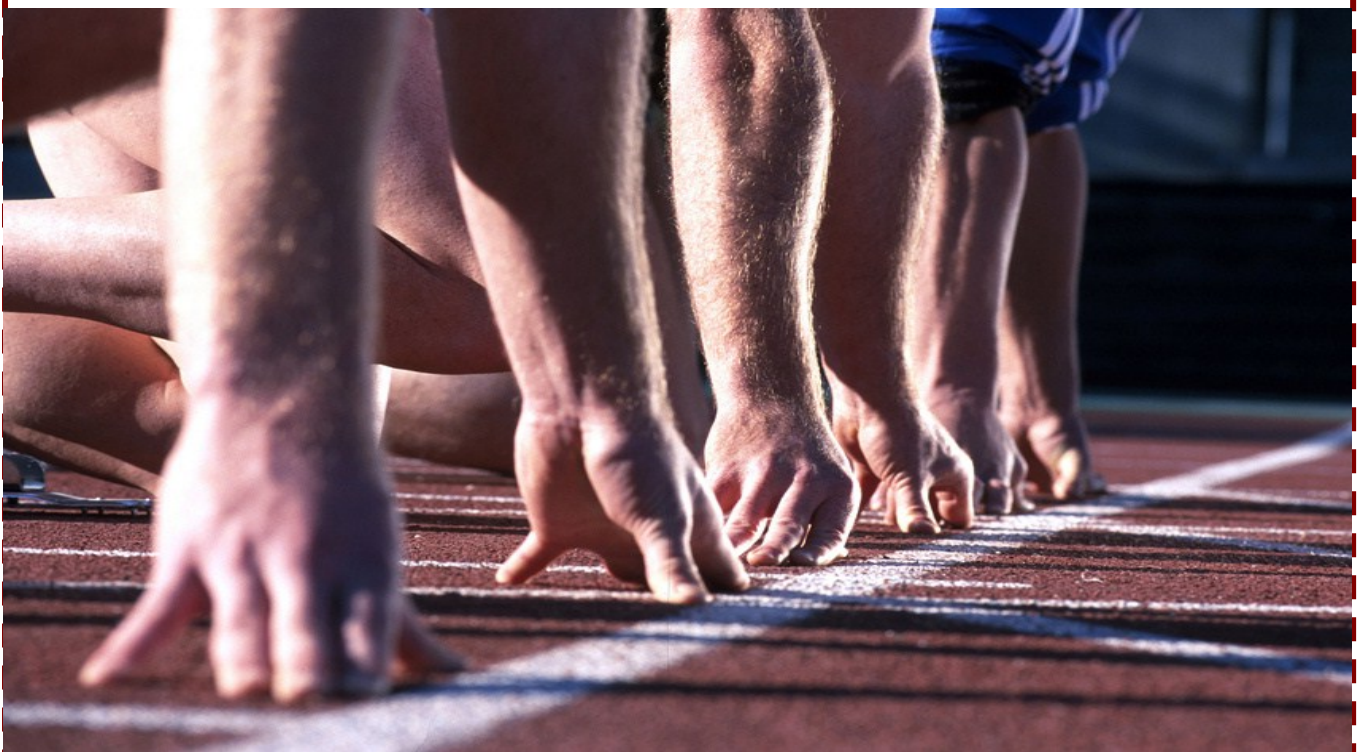

In addition to receiving assistance with FAFSA completion, 80 students were chosen to win CGS!Florida scholarships worth a total of \$13,000.00! Way to go Florida!

## Florida's Top FAFSA Completers

Florida College Access Network's latest update to the Florida FAFSA Finish Line features new, easy-to-view charts of public high schools with the highest FAFSA completion rate, as well as schools demonstrating the greatest biweekly improvement through March 14, 2014. Assess your school's performance then contact your Outreach Representative for additional assistance to increase your school's FAFSA completion rate.

# College Preparation Checklist

As a high school counselor, you play a major role in preparing students for higher education. Certainly you have been asked the question, “When is it time to plan for college?” The answer is as early as elementary school. Federal Student Aid, an office of the U. S. Department of Education, has a wonderful College Preparation Checklist that you may use as a resource and share with your parents. It provides tips to both students and parents in preparation for college readiness.

## Spring Events

- April 2014– Financial Literacy Month
- May 2014 – Graduation Season 
- June 2014 – Final High School Transcripts due for Bright Futures consideration
- June 2014 – SAT and ACT test scores are accepted through June 30 for a Bright Futures evaluation

Contact an OSFA Outreach Representative about your high school's needs. We'll be glad to help!
