About the Nursing Student Loan Forgiveness Program

The Florida Legislature created the Nursing Student Loan Forgiveness Program (NSLFP) in 1989, to encourage qualified personnel to seek employment in areas of the state where there are critical nursing shortages. It is authorized under Section 1009.66, Florida Statutes (F.S.) and 6A-20, Florida Administrative Code (F.A.C.). The purpose of the program is to increase employment and retention of nursing personnel at designated sites or facilities in Florida.

Based on available funds, the program provides up to $4,000 a year for a maximum of four years to assist in the payment of the principal balance of the originally verified nursing education loan. After one year of program enrollment, participants will receive a renewal packet. Initial payment will be made to the lender once full-time employment and loan principal balance are verified. Awards are not taxable, pursuant to the Affordable Care Act of 2010.
