PENDING INSTITUTIONS

The following educational institutions have recently applied for approval with the Florida Federal Family Education Loan Program. FFELP will not honor requests to guarantee loans for these institutions at this time. *Deferments and forbearance may be granted for students attending all of these schools.*

According to Dear Colleague GEN-92-21, Part IV, "Provisions Effective July 1, 1993, Section B,...

As previously noted, effective on enactment of the Amendments, for purposes of an in-school deferment, an eligible institution is defined as including any institution, whether it is participating in any Title IV program or has lost its eligibility to participate in the FFEL

program because of a high default rate. If an institution has never participated in the Title IV programs previously, the institution must request a determination from the Secretary that it satisfies the definition of an eligible institution prior to certifying borrower deferment forms.

Lenders are instructed to check with OSFA if students wish to obtain a loan for attending these schools. Further information regarding this matter may be obtained by calling the Florida Department of Education, OSFA's Program Eligibility and Compliance Unit at (904) 488-7043.
