Information For Borrowers

For borrowers choosing lenders, the following lists of lenders participate in the Federal Family Education Loan Program. Some lenders have policies that limit the minimum or maximum amounts you may borrow. Other lenders may restrict loans to their depositors or to students attending certain schools. For these reasons, you should contact the lender of your choice concerning their specific lender policies. If you have previously received a loan, you should, if possible, select the lender that made your previous loan. If you are applying for admission to more than one school and you complete an application for more than one of those schools, you should, if possible, indicate the same lender on each application.

The time it takes to process a loan varies widely from one lender to another. The lenders listed below participate in a process designed to speed the delivery of loan proceeds.
