- 2nd year at 30% or higher – review/revise default prevention plan, submit to FSA for review, FSA may require additional steps
- 3rd year at 30% or higher – loss eligibility for Pell, ACG/Smart, Direct Loans

Postsecondary institutions are encouraged to set up a Default Prevention Team that includes senior school officials, representatives from all campus offices, and one student representative.

The OSFA Philosophy

The Office of Student Financial Assistance (OSFA) has the ability to offer its partners and customers something few public agencies can, the ability to shape OSFA programs and services based on their specific needs and concerns. OSFA provides financial aid workshops, publications, better services for participants, and helps fund scholarship and grant programs. If a participant has a problem or suggestion, the OSFA management team listens and makes every effort to implement a solution that meets their needs. Public dollars deserve the kind of accountability OSFA provides in financing education.
