## **Navigating Your Financial Future (NyFF)**

### The John R. Justice Student Loan Repayment Program (JRJ)

The Florida Office of the Attorney General, in conjunction with the Office of Student Financial Assistance (OSFA), will begin administering the JRJ Student Loan Repayment Program later this year. Student loan debt is consistently cited as the overwhelming reason why attorneys decline or leave positions as prosecutors and public defenders. The JRJ provides loan repayment assistance for state and federal public defenders and state prosecutors who agree to remain employed as public defenders and prosecutors for at least three years.

For additional information on this program, please visit the Florida Office of the Attorney General's <u>website</u> or OSFA's <u>website</u>.

Note: The Florida Office of the Attorney General, Department of Legal Affairs, anticipates the federal monies for this program will reach Florida in December 2010. Application information for qualified beneficiaries in Florida is being developed at this time. Notification will be extended to all applicable groups once information is available.

### Loan Servicing Information - New NSLDS Delinquent Borrower Report

In a March 26, 2010 Electronic Announcement posted on the Information for Financial Aid Professionals (IFAP) Website, the U.S. Department of Education (ED) informed schools that they were developing a National Student Loan Data System (NSLDS) report that would provide delinquency information reported to the NSLDS by the four federal loan servicers— FedLoan Servicing (PHEAA), Great Lakes Educational Loan Services, Inc., Nelnet, and Sallie Mae. This new "Delinquent Borrower Report" (DELQ01) and a Delinquent Borrowers Web page for online access to the data are now available on the <u>NSLDS Professional Access Website</u>.

The enhancements to the <u>NSLDS Professional</u> <u>Access Website</u> consolidate information for borrowers with loans reported as delinquent in payments to one of the four federal loan servicers listed above. The delinquent information is in relation to borrowers' Federal Family Education Loan Program (FFELP) loans purchased by ED (commonly referred to as FFELP Purchased Loans) and William D. Ford Federal Direct Loans (Direct Loans), serviced by these servicers as well.

Note: The new functionality does not currently include borrowers' delinquent loans held by guaranty agencies or serviced by the Direct Loan Servicing Center.

#### Florida Wins Race to the Top!

Florida has been named a winner in Phase 2 of the Federal Race to the Top competition and will receive the full \$700 million requested to implement bold, innovative strategies proposed in the application. Congratulations to all who worked so hard to make this opportunity possible for the benefit of our Florida students.

# The OSFA Philosophy

The Office of Student Financial Assistance (OSFA) has the ability to offer its partners and customers something few public agencies can, the ability to shape OSFA programs and services based on their specific needs and concerns. OSFA provides financial aid workshops, publications, better services for participants, and helps fund scholarship and grant programs. If a participant has a problem or suggestion, the OSFA management team listens and makes every effort to implement a solution that meets their needs. Public dollars deserve the kind of accountability OSFA provides in financing education.
